

Cellule Millennium Challenge Account - Togo
Office of the Presidency of the Republic
Government of Togo

GENERAL PROCUREMENT NOTICE (GPN)

Program Name: Togo Threshold Program

The Millennium Challenge Corporation (“MCC”) is a U.S. Government agency that assists developing countries committed to good governance, economic freedom, and investment in their people. The Government of Togo (the “Government”) has received a grant (“Threshold Program”) from MCC and intends to apply a part of the grant to contracts for goods, works and services. The proposed Grant will provide approximately USD 35,000,000.00 toward two main projects: the Information and Communication Technology (ICT) Project and the Land Reform to Accelerate Agricultural Productivity Project (LRAP).

The Government has authorized the Cellule Millennium Challenge Account Togo (“Cellule MCA-Togo”), a special purpose unit related to the Office of the Presidency of the Republic, to conduct certain procurements on its behalf and assume certain responsibilities to oversee implementation of the Grant.

In issuing this General Procurement Notice, the Government is represented by the Cellule MCA-Togo. However, it is anticipated that an Accountable Entity created by the Government, be functional and designated to serve as the accountable entity for implementing this Threshold Program. Prior to the establishment of the Accountable Entity, any references to actions taken or rights received by the Accountable Entity, shall be taken or received by the Cellule MCA-Togo on behalf of the Government, and any references herein to the Accountable Entity shall be deemed to mean Cellule MCA-Togo during this period.

This General Procurement Notice is based on a Procurement Plan for the period starting from *March 1, 2021 to February 28, 2022*.
